Dear respected retirees,

The medical team with the support of PDO Management are happy to announce to you our valued retirees that PDO will start supporting all our retirees who require cataract operation in private hospitals. In order to facilitate a referral to a private hospital for such surgery, you will first need to see a general practitioner in a PDO clinic. The doctor will then refer you to our in-house Ophthalmologist for assessment. Based on the evaluation, a referral for the surgery will be issued accordingly.

For more information, please call PDO Medical Centre on 24671333

Thank you
Dr. Sulaiman Rawahi, MCC
Chief Medical Officer
