You deserve Eid enjoyment

Eid celebration is about having great times with Family & friends, which can be achieved by having proper safe planning for the Eid activities and reflecting safe driving behaviours on the roads.

You are responsible for your own Safety!

Safety Lessons Learned from Previous Eid Holidays

Over-speeding ..

- Maintain speed limits .. Drive safely.

Mobile Phones / Texting

- Keep your phone out of reach
- Switch off mobile data, check calls/messages when stopped safely

Fatigue ..

- Take enough rest before your trip
- Plan your trip with frequent rest stops

**REMEMBER
TO ..**

- Always check your vehicle before a long trip

- Always wear seat belt

Safe driving behaviors

- ❖ Getting adequate rest prior to any trip to avoid fatigue.
- ❖ Performing vehicle pre trip inspection (Tyre, lubricants, coolant, belts, battery, lightning...etc).
- ❖ **Check around the vehicle before moving, make sure it's free from children or other obstacles.**
- ❖ Wearing safety belt and ensuring passengers do so.
- ❖ Complying with safe driving speed limits.
- ❖ Stopping vehicle while using mobile phone.
- ❖ Keeping safe distance on the road.
- ❖ Remaining alert and respecting other road users.

Safe driving behaviors

**Remember
that..**

Your behavior
influences your risk
management on
the road – You are
in control.

Have an enjoyable and safe Eid!
