What happened

While the Floorman was pushing the Sucker Rod power tong toward the Mast, the power tong operated pinching his finger in the jaws.

Mr. Musleh asks the questions of can it happen to you?

1. Do you always use the handles provided?
2. Do you ensure you keep your hands and fingers away from pinch points?
3. Do you ensure you identify all hazards before starting a task?

Please disseminate this LTI notification to your teams and use it in your tool box talks and HSE meetings and notice boards.
