

PDO Incident First Alert - FES

Incident Type	LTI#03	Pattern	Hands & fingers
Date / Time	29.01.2020@06:20hrs	Directorate	Well Engineering
Location	Bahja	Dept	UWODB

Target Audience

Drilling, Operations, Logistics, Engineering & Construction

What happened

While the Floorman was attempting to latch the elevator, he crushed his left thumb between the elevator and the drill pipe.

Mr. Musleh asks the questions of can it happen to you?

1. Do you stop and ask for help when needed?
2. Do you ensure you keep your hands and fingers away from pinch points?
3. Do you ensure you identify all hazards before starting a task?

Please disseminate this LTI notification to your teams and use it in your tool box talks and HSE meetings and notice boards.
