The driving force for safer roads

# **IMPORTANT NOTICE**

## **DD04 TANKER COURSES**

Please note that PDO has determined that tankers should be PARTIALLY loaded in order to ensure the driver is trained in a vehicle whose handling characteristics more closely match those which are active when the vehicle is being used in its everyday tasking.

**The vehicle should be**  
**PARTIALLY LOADED**

**IF THE VEHICLE IS FOUND TO BE EMPTY, OR CONTAINING SO LITTLE MATERIAL AS TO DETRACT FROM THE PURPOSE OF ENSURING THE DRIVER CAN SAFELY MANAGE SUCH A VEHICLE IN A SEMI-LOADED STATE, THE DRIVER WILL BE DECLARED A 'NO SHOW', THE TRAINING CANCELLED AND ALL COURSE FEES FORFEITED.**
